

# FAMILY LETTER

Hi Grandma,

The special things about me are I like to dance and sing. I want to know more about what are you doing in Honduras. What does it look like where you live? I want to know about your culture. What is your favorite music from your culture?

I love you grandma! What do you eat in Honduras? I like to eat pizza and Jack in the Box, which is a food and not a man. Ian wants to see TV in the room and my Mom watches TV too. I watch TV too. Do you see TV?

My school is fun and funny too and I love to dance and I love singing and math. I want to go to Honduras and Mexico and San Francisco. I love to go to school and Ian also goes to school.
