# FAMILY LETTER

## San Salvador

Hi mom, I want to know about the food in your culture? What is your favorite food in your culture? Why did you come to San Francisco?

Hi mom, my name is David Henriquez and the special things are that I'm good at video games and I'm very good at math. I want to learn about my grandma in my family. What do you wear in your culture?

**Hi mom! I hope you like this. Love from your son, DAVID.**

**My favorite thing to do in school is play with my best friend. I also like to answer math problems and math questions.**

**Sincerely,**

**Your Son, David.**

**I hope I reminded you about your culture in your life in El Salvador. Good luck with your work.**
